PROFESSIONAL EXPERIENCE

Textile Print Designer **Dec 2025 – Present**

Mahesh Textiles Private Limited | Mumbai

- Design print collections for Middle Eastern markets, translating client briefs and market preferences into prints.
- Develop prints, patterns and colourways in Photoshop and Illustrator, blending hand-drawn artwork with digital design.
- Work closely with production teams on design execution to maintain consistent quality across collections.

Textile Designer **Apr 2025 – Dec 2025**

Fabric Hub | Surat

- Created textile prints and surface patterns for women's apparel collections for the Indian market.
- Researched market trends and colour directions to guide design decisions and collection development.
- Combined hand-drawn artwork with digital techniques to build cohesive print ranges within each collection.

Associate Textile Designer **Jun 2024 – Apr 2025**

B.S. Exports | Mumbai

- Developed textile prints for export collections based on international fashion trends and buyer requirements.
- Supported collections through market research and coordination with merchandising and production teams.
- Translated buyer briefs and trend direction into print and colour options for review and approval.

Textile Designer **Feb 2023 – Jun 2024**

Ganga Fashions | Surat

- Created prints, patterns and embroidery placements for women's wear across different fabric categories.
- Supported seasonal collections, sampling and production follow-up in coordination with production teams.
- Developed placement prints and embroidery layouts suited to garment styles and fabric types.
