PRINT 01

Botanical Heritage — Multi-Floral

DESIGN DIRECTION

A richly layered botanical composition combining large statement blooms, delicate fillers, curling stems and feathery foliage. The artwork has a strong heritage-textile character, while the four contrasting grounds transform the mood from dramatic and sophisticated to warm, regal and contemporary. The detailed floral drawing gives the print depth and an artisanal, collectible feel.

MOTIF

Peonies, wildflowers, leaves, berries & curling stems

COLOUR STORY

Black • Mustard • Terracotta • Navy • Blush

POTENTIAL APPLICATIONS

Statement apparel • Resort wear • Dresses • Scarves • Cushions

PRINT 02

Ornamental Paisley — Decorative Damask

DESIGN DIRECTION

A traditional Indian-inspired ornamental repeat built around stylised paisley and floral motifs. The highly detailed cream artwork creates a strong screen-printed or block-print impression against saturated grounds. The red, ochre, teal and plum colourways give the same classic design four distinct personalities, balancing heritage craft with a refined decorative aesthetic.

MOTIF

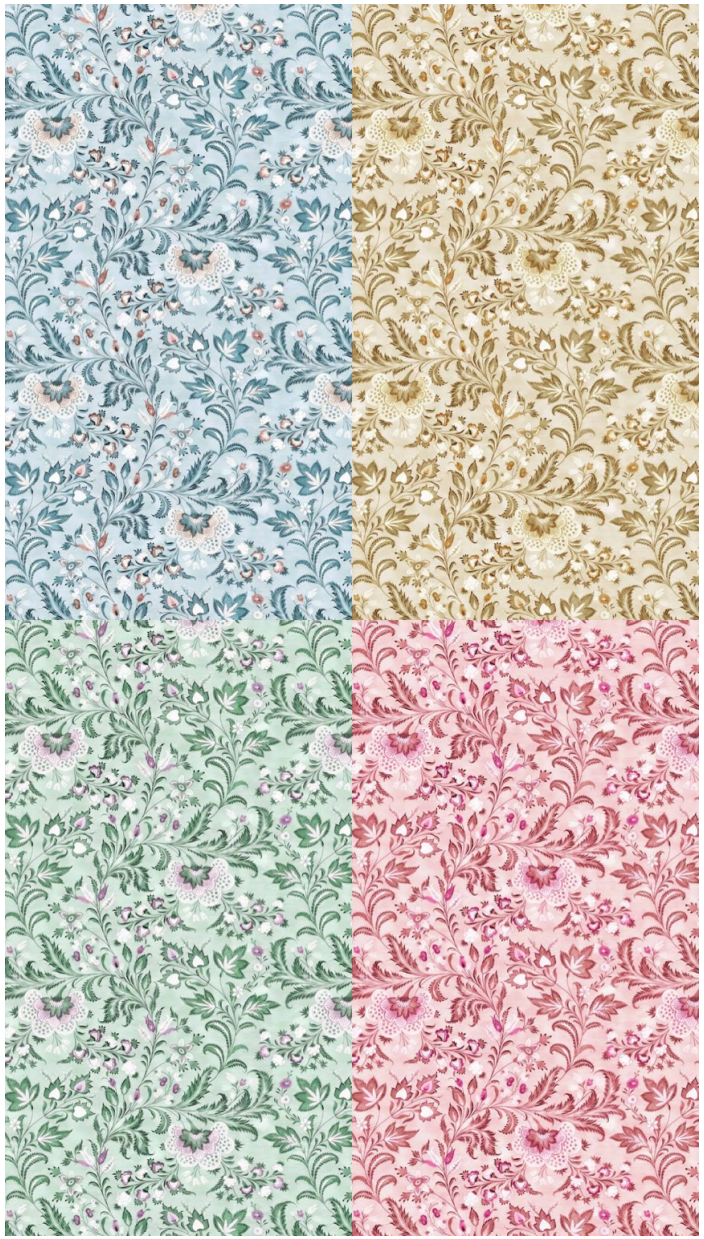

Paisley, floral ornament & symmetrical scrollwork

COLOUR STORY

Brick Red • Ochre • Teal • Plum • Ivory

POTENTIAL APPLICATIONS

Ethnic & contemporary apparel • Home textiles • Upholstery • Wallpaper

PRINT 03

Soft Garden — Vintage Botanical

DESIGN DIRECTION

A delicate all-over botanical inspired by vintage florals and scrolling foliage. Fine stems, small blossoms and flowing leaves create a graceful, rhythmic surface with an airy, slightly nostalgic quality. The pastel blue, ivory, mint and blush colourways keep the print soft and versatile, making it especially suitable for feminine fashion, resort, bedding and lifestyle applications.

• Blush • Soft Green

POTENTIAL APPLICATIONS

Dresses • Resort wear •
Bedding • Curtains • Scarves

PRINT 04

Romantic Peony Garden

DESIGN DIRECTION

A dramatic large-scale peony composition with generous blooms, layered foliage and a dense garden-like arrangement. The artwork feels romantic and opulent, with the dark grounds allowing the pale florals to become the hero. The black, red, ochre and deep blue colourways move the design between moody luxury, rich heritage and statement contemporary floral.

MOTIF

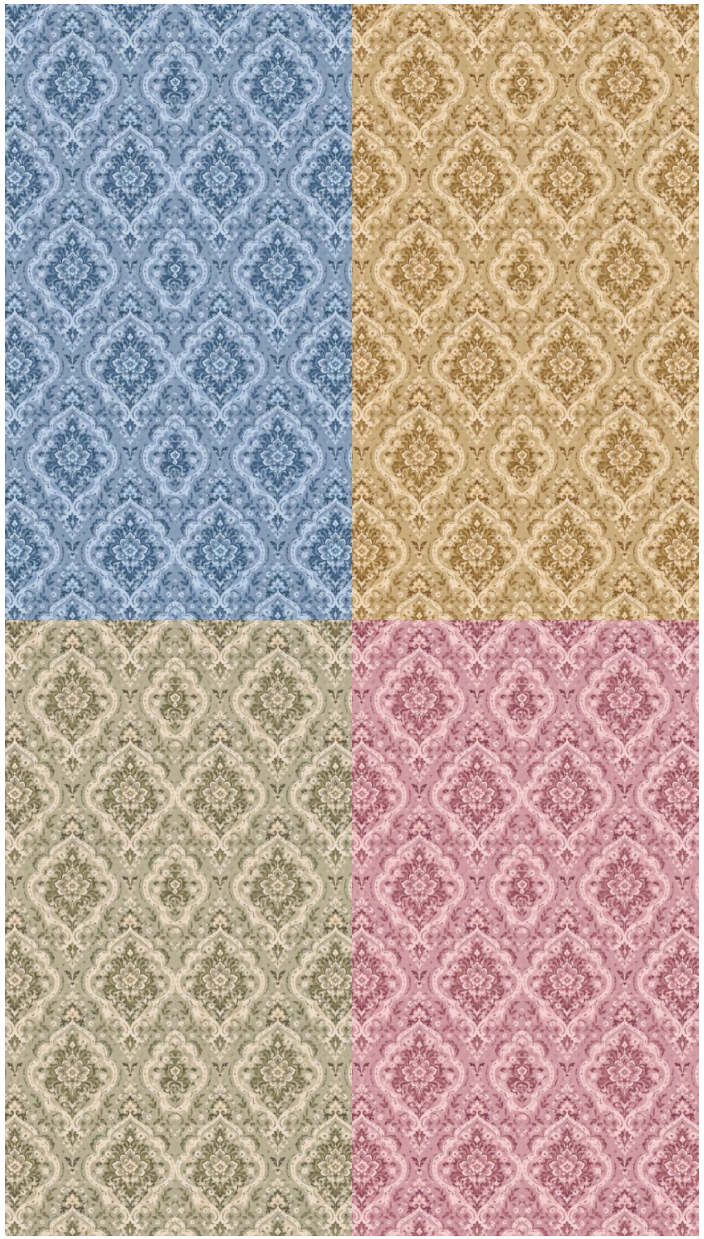

Peonies, buds, layered leaves & garden fillers

COLOUR STORY

Black • Crimson • Ochre • Cobalt • Cream

POTENTIAL APPLICATIONS

Statement dresses • Jackets • Resort wear • Cushions • Drapery

PRINT 05

Heritage Damask — Tonal Ornament

DESIGN DIRECTION

A compact ornamental damask with repeated floral medallions and intricate surrounding foliage. The tonal treatment gives the design a sophisticated, wallpaper-like quality without becoming visually heavy. Dusty blue, antique beige, sage and muted pink create a calm vintage palette, making this print easy to coordinate across fashion and interior surfaces.

MOTIF

Floral medallions, damask frames & fine foliage

COLOUR STORY

Dusty Blue • Antique Beige • Sage • Mauve • Cream

POTENTIAL APPLICATIONS

Wallpaper • Home textiles • Kurtas • Coordinated apparel • Accessories

PRINT 06

Painterly Blossom Garden

DESIGN DIRECTION

A softer, painterly floral with scattered blossoms in peach, coral, pink and cream. The layered flowers create a sense of movement and fullness while the slightly diffused artwork keeps the overall effect relaxed rather than formal. The sage, warm neutral and blue-grey grounds offer a modern vintage palette suited to resort wear, dresses, scarves and soft home products.

MOTIF

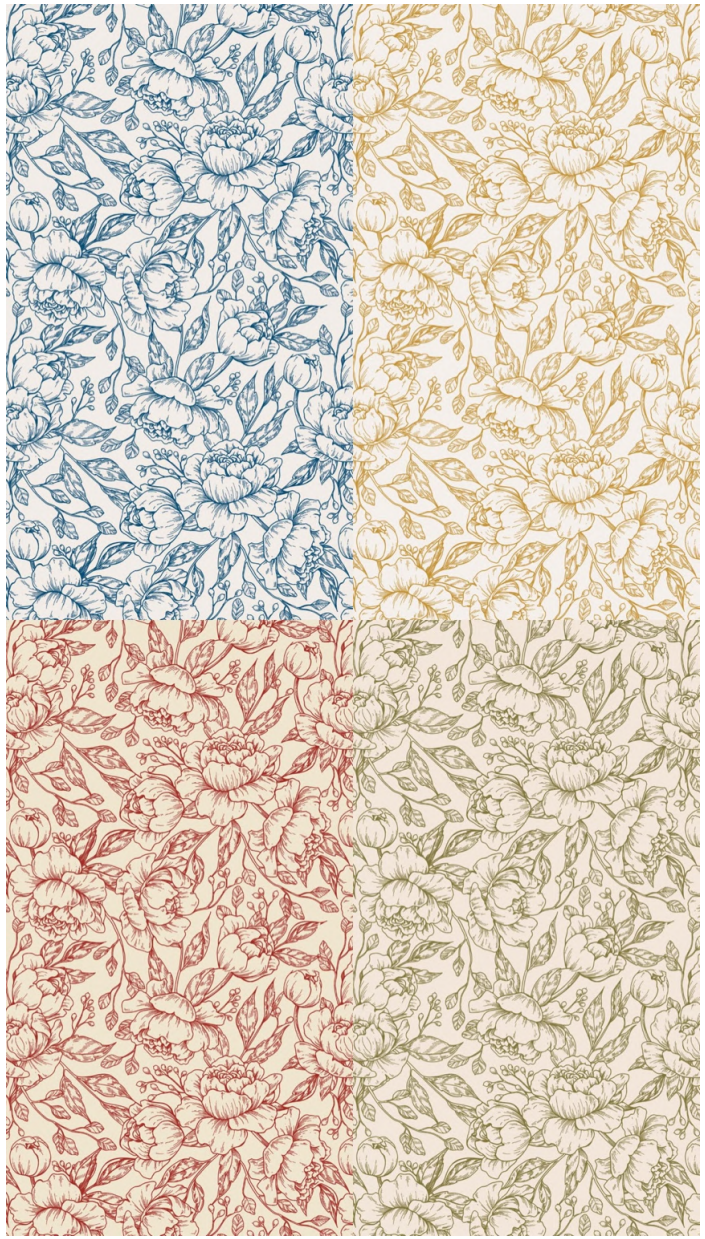

Painterly blossoms, petals & soft botanical fillers

COLOUR STORY

Sage • Warm Khaki • Blue Grey • Peach • Coral

POTENTIAL APPLICATIONS

Resort wear • Dresses • Scarves • Bedding • Cushions

PRINT 07

Hand-Drawn Peony Linework

DESIGN DIRECTION

A refined floral outline study featuring peonies, leaves, buds and delicate sprigs drawn with fine linework. The restrained one-colour approach gives the print a hand-illustrated, artisanal quality and allows the floral construction to remain the focus. The blue, ochre, coral and sage versions demonstrate how the same drawing can shift from coastal to earthy, romantic or botanical.

MOTIF

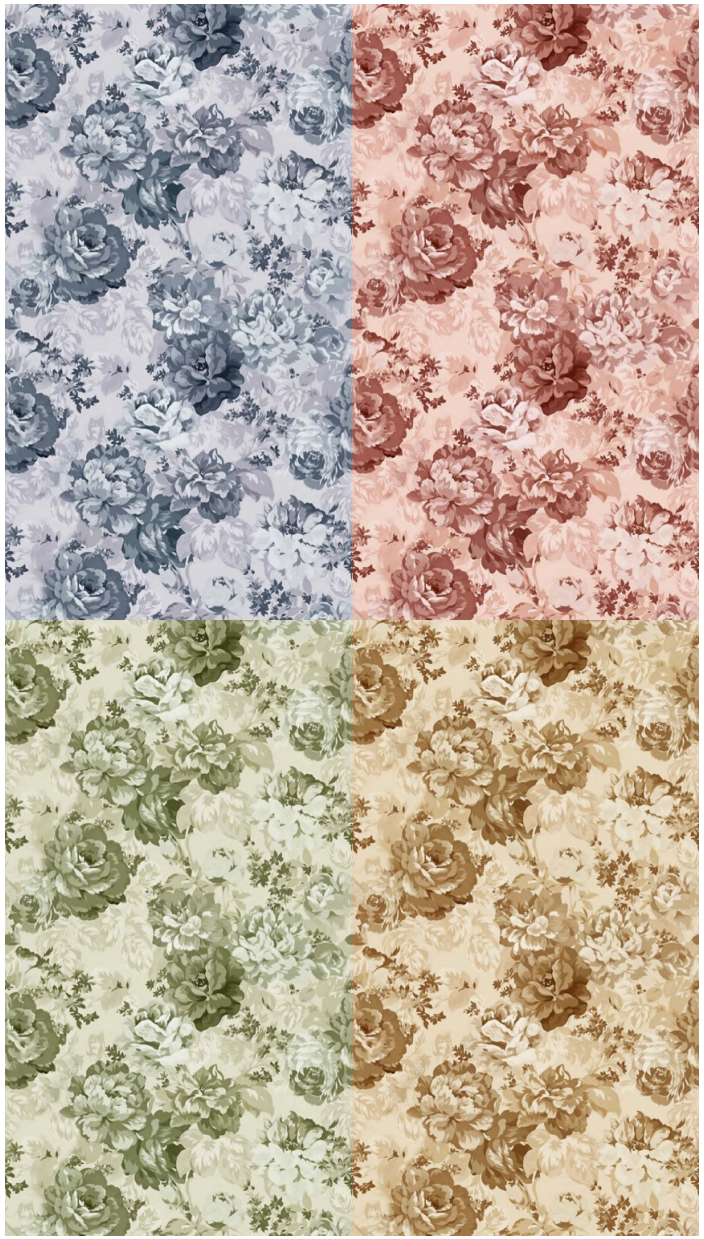

Peonies, buds, leaves & fine botanical linework

COLOUR STORY

Blue • Ochre • Coral • Sage • Ivory

POTENTIAL APPLICATIONS

Shirting • Dresses • Scarves • Stationery • Home accents

PRINT 08

Vintage Floral Bouquet

DESIGN DIRECTION

A vintage-inspired floral bouquet repeat using layered roses and small companion blooms in a restrained, tonal palette. The design has the feel of an old textile or antique wallpaper translated into a softer contemporary colour direction. Blue-grey, dusty blush, sage and warm beige colourways give it a calm, nostalgic character with strong potential for lifestyle, apparel and home applications.

MOTIF

Roses, bouquet flowers, leaves & small fillers

COLOUR STORY

Blue Grey • Dusty Rose • Sage • Warm Beige • Cream

POTENTIAL APPLICATIONS

Apparel • Bedding • Curtains • Cushions • Wallpaper
