ABOUT COMPANY

Ganga Fashions, a brand for over 20 years has worked towards revolutionizing the world of textiles.
Established in 1990, as primarily an export company with the collection reaching out to Asians across London, Indonesia, and Dubai to name a few. Around 2007 we ventured into the local markets pan India.

COLLECTION -1

The inspiration was taken from playful stripes and botanical flowers. Did the print and placement by the composition of different motifs and stripes on the fabric Bemberg lawn with organza silk dupatta. Completed the collection with Ari work and sequence on it to give it a final look.

COLLECTION -2

This whole collection was printed on the fabric pashmina with an all-over printed dupatta. Completed with the embellishment of zari.

The collection was inspired by the garden on the fabric cotton satin and Bamberg lawn dupatta. Finished it with hand embroidery.

COLLECTION-3

COLLECTION-4

The collection is inspired by traditional Gond art. Created all-over patterns on the fabric cotton satin & embellished it with embroidery. The dupatta is filled with the traditional Gond art motifs on the fabric bemberg lawn.

COLLECTION-5

The collection was inspired by the geometrical lines and patterns. Did the placements & composition of lines on the fabric pashmina with bold colours. Finally finished the whole collection with abstract floral embroidery.

COLLECTION-6

The idea was to create an abstract motif using different elements and patterns on the fabric cotton with chiffon dupatta with soothing pastels.

COLLECTION-7

The inspiration for this collection was to create motifs inspired by the trees and Indian architecture, printed on fabric cotton with chiffon dupatta.

COLLECTION -8

The whole collection was completed in one beautiful mustard-yellow colour. The inspiration was flora and fauna in abstract form with the touch of hand embroidery.

COLLECTION-9

The collection was inspired by abstract geometry. Small geometrical motifs are printed all over on cotton fabric with a Bemberg dupatta. Detailed embroidery has been done to finish the whole collection.

COLLECTION -10

Polka dots

The collection was inspired by the ferns and plants. Small geometral motifs are printed all over on cotton fabric with chiffon dupatta. Detailed embroidery and sequence work has been done to finish the whole collection.
